

Charitable Contribution Form

Dear Donor,

The Ponce de Leon Inlet Lighthouse Preservation Association is nonprofit 501(c)(3) organization dedicated to the ongoing preservation and dissemination of the maritime and social history of the Ponce de Leon Inlet Light Station. The Association receives no financial support at the local or national level. Funded primarily through admission and gift shop sales, the Association relies heavily on membership sales and private and corporate donations to accomplish its ongoing mission to preserve, restore, and interpret the historic Ponce Inlet Light Station.

Charitable contributions are one of the most important ways that individuals and corporations can help protect this National Historic Landmark. Keep history alive and help us ensure that the beacon will continue to shine for future generations by making a donation today. Thank you for your support.

Dear Taxpayer:

This is in response to your request for confirmation of your exemption from Federal income tax.

You were recognized as an organization exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code by our letter of March, 1973. You were further determined not to be a private foundation within the meaning of section 509(a) of the Code because you are an organization described in section 170(b)(1)(A)(vi) and 509(a)(1).

Contributions to you are deductible as provided in section 170 of the Code.

The tax exempt status recognized by our letter referred to above is currently in effect and will remain in effect until terminated, modified or revoked by the Internal Revenue Service. Any change in your purposes, character, or method of operation must be reported to us so we may consider the effect of the change on your exempt status. You must also report any change in your name and address.

Thank you for your cooperation.

Sincerely,

Cynthia Smith
